Foreword

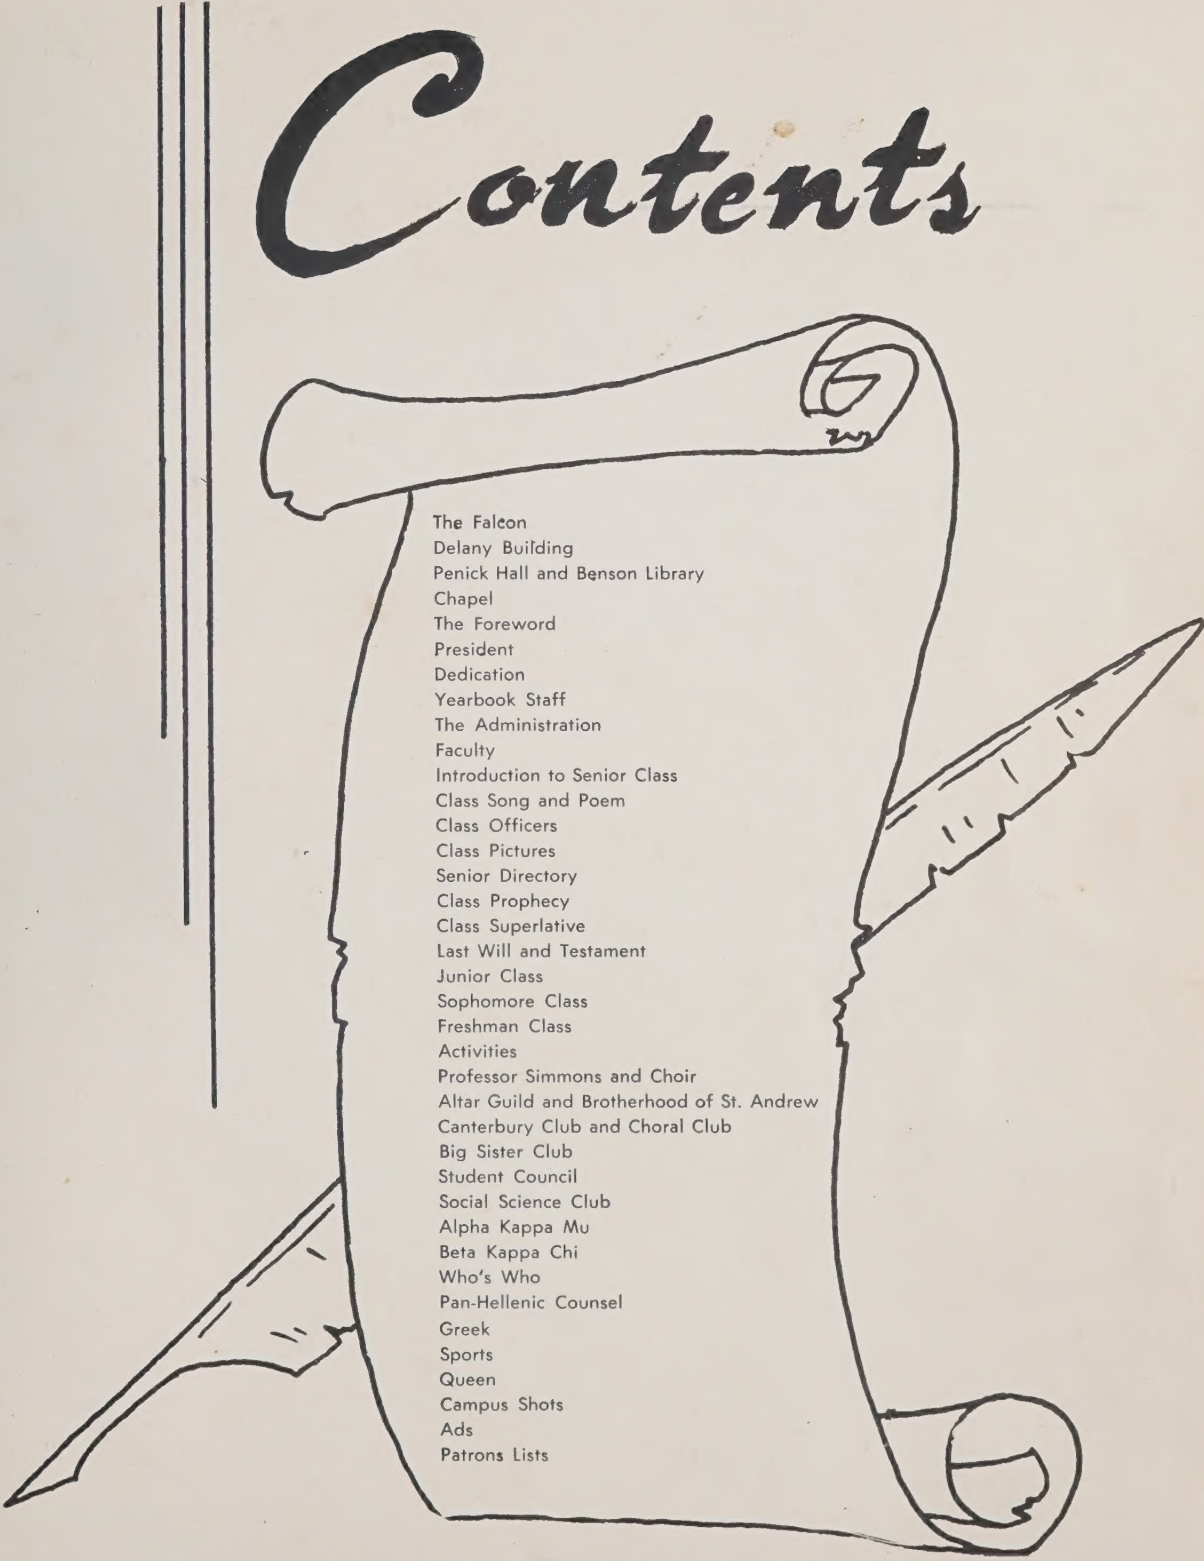

Since we are prone to live for the future, and apt to forget that which is past, we, of the Yearbook Staff, have tried to preserve for each of you in this 1953 graduating class some of the memorable episodes in the panorama of your college life. We sincerely hope that this year's FALCON will act as a stimulus to each of you to continue your fight and perseverance for knowledge and truth; and to do this with the same amount of courage, fortitude and "stick-to-it-iveness" that you have demonstrated through the four years of your college life.

Again, we hope that this yearbook will continue to remind you of your obligations to your Alma Mater, yourself and above all, mankind, to foster the true spirit of freedom and brotherhood through the media of education and your own integrity.

Dedication

TO YOU . . .

MR. MOSES S. HAYES, we of this 1953 graduating class dedicate this year's Falcon because of the skill and sincerity with which you effect your task, but above all for your inexhaustible patience, the kindness and devotion you have shown to the students at Saint Augustine's College. Kindness which is no small measure has contributed to the happiness and comfort of all concerned.

TO THE MEMBERS OF
THE CLASS OF 1953:

I commend you for the effort that you have put forth in the past four years to bring you to the successful conclusion of your undergraduate career.

In these days of many pressures from without and within, much is required of the individual to hold him steadfast to a line of personal progress until he has acquired a college education which is considered today basic to effective leadership.

As you join the thousands who have left these portals each consecutive year since 1868, it is my wish that you have a life time succession of worthy challenges, and in each case the strength and courage to meet them effectively.

Sincerely yours,

Sincerely yours,

Seniors

Class History

We have proudly reached our senior year with pride and honor. On September thirteenth, nineteen hundred forty-nine, we arrived at Saint Augustine's College. There were one-hundred forty-one of us, frightened as well as being green as leaves in the spring.

Our Freshman year class officers were Louis Ford, president, Edith Stubbs, secretary, and Eleanor LeFlore, treasurer. We can all say our first year was a new experience, however, we made the year a successful one.

Our Sophomore year found most of us back and ready for the year's work however, to our regret some did not return. Nevertheless we had a strong determination to do our best. We elected as class officers, John Middleton, president, Eloise Mitchell, secretary, and George Woods, treasurer. Before the end of the year we had found ourselves and determined the fields which suited us best. When the publication of the Dean's List was posted there were well represented. Our class was enhanced by such transfer students as Dollie Batts and Billy Davis.

We parted that year with So Long, not a "good bye," and with high hopes of returning the next year.

As the years progressed many dropped along the way and many were added. In our junior year we were fewer in number than the year before, but under the new leadership of our present president, Frederick Johnson, we did well. At this time we added to our happy family, six new transfer students.

Among the students in our class there were such athletes as William Chisholm, Herbert Hoover, Donald Johnson, George Woods, John Middleton, Billy Davis, James Avery, Frederick Johnson, Charles Spann, Mack Gainer, Ernestine Clemmons, Eloise Mitchell, Mary Wiggins, and Helen Boyd. Not only were we represented in the field of athletics but in dramatics as well. We had such actresses and actors as Agnes Walters, Gloria Wallace, Geraldine Rogers, Frances Cutchen, Edna

Rayford, Albert Henry, and Oscar Smith; all have participated in major productions given by the Dramatic Club. We have had our share of "Song Birds" too represented in the persons of Albert Henry, Nathaniel Moore, Edith Alston, and Eloise Morris. During this year we contributed members to Alpha Kappa Mu and Beta Kappa Chi Honorary Societies.

We have finally reached the last year of our struggle here, although our number has decreased, we still possess the will to go on. The senior class officers were Frederick Johnson, president; Oscar Peay, vice president; Parthenia Dunn, secretary; Junius Carter, treasurer. We sent to the student council: Albert Henry, John Middleton, Agnes Walters and Junius Carter.

Selected from our class to appear in "Who's Who Among Students in American Universities and Colleges" were: Albert Henry, Frances Cutchen, Eloise Mitchell, Christabelle Richardson, Antoinette Williams, John Middleton, Frederick Johnson and George Woods.

As seniors we look back with pride on the outstanding participants from the class along the line of extra-curricular activities and high scholastic achievement.

With mixed emotions of joy and sorrow, we leave St. Augustine's College, but in our hearts we shall always hold a warm place for our Alma Mater, where we have made lasting friendships and ideal romances. We are sincerely grateful to those who have advised us through the four years spent here.

As we stand now at the crossroads and cast an eye into the future, we see a guiding light: The light of hope and determination that shall ever lead us onward to success.

Realizing that the road to success is not an easy one but to those who have patience, the end is well worth the effort. We go forth from our beloved Alma Mater.

Class Song

We have come thro' the way of much toil and straits but we

geese not to work till the end of the day the hill we have climbed, like

the moun- tain head, fo- ward on- ward we press till we win

walk on thro' the rain, walk on thro' the wind, though you

dreams be of no avail, To St. Au- gustine, be a-

er the Crowns and the strength to fill thiev plodde, To

St. Au- gustine's Hair!

Class Poem

Of Thee We Sing

*Saint Augustine's, noble mother of glorious deeds
Ne'er faltering thy hand has guided us
Through these four years, adherent to our needs
In thee great college, we place lasting trust.*

*As now upon the brink of life we stand
We pause in tribute to thy nobleness
And raise a prayer to him whose guiding hand
Has led you through the years, may you er'er progress.*

*And may the teaching staff of which you boast
Continue to emit its seed of good
The fount of knowledge which you hold foremost
Has pierced our hearts and minds as best it could.*

*O' bells, that doth the campus church adorn
Ring out in praise to Alma Mater's throng
Upon whose bosom love is ever worn
O' bells, ring out your most celestial song.*

*Saint Augustine's, as we go forth through the years
Inspired by thoughts and acts that sprang from thee
Thy name as guiding light shall serve to soothe our fears
Brighten our hopes. The class of 'fifty three.*

LAST WILL and TESTAMENT

We the class of 1953, being in good mental condition as usual, and in much better temper than usual, do hereby declare this to be our last will and testament. As to such estate as it has pleased the fates and our own capable hands and brains to win for us, we do dispose of the same as follows:

To our President, Dr. Harold L. Trigg, we bequeath our undying love and affection for the guidance and justice he so graciously gave us.

To our Deans, Faculty and Staff, we bequeath our sincere love and appreciation for their unfailing kindness and aid.

To our Adviser, Mr. Johnson, we bequeath our gratitude and thanks for being our rock and mainstay, and wish for him success with other students in years to come.

To the Junior Class, our rightful heirs, we leave our most important and valuable properties, our self-satisfaction, our importance, and our wisdom we possess in enormous quantities and we hope that the said gifts will be used with pride.

To the Sophomore Class, we bequeath the ability to face and overcome any tasks which confront them before graduation.

To our friends, the Freshman Class, we leave the courage to endure any obstacles which they might encounter before they become Seniors.

The following may seem trifling bequeaths, but we hope they may be accepted, not as worthless things, lavishly thrown away, but as valuable assets to those who may receive them, and a continual reminder of the generosity of heart displayed in our bestowal:

Edith Alston leaves to Virginia Darden the task to play the piano for all occasions.

Albert Henry wills his place in Alpha Kappa Mu to Leo Oxley, his place in Beta Kappa Chi to James Lockhart, his place in Who's Who to his girl friend Lenora Holman, and to whom ever qualifies for this position—his place in the music world.

To Gladys Hopkins, Johnell Hurst leaves her room in Tuttle Building, "The Suite."

Donald Johnson leaves his basketball talent to James Allen.

Sadie Lee leaves some of her weight to Fannie Murrell so that she will not have to go to breakfast every morning.

To Theodore Fagan, Oscar Peay wills his ability to love and be loved in vain.

Druscilla Hollins wills her motherly love to her three play daughters, Esther Clark, Carrie Flemings, and Gladys Hopkins.

Eloise Morris leaves her nickname, "Theme Song," to her honey, Willie Leigh Basnight.

Amos Norwood wills his place in Beta Kappa Chi to McCoy Glover and his muscles to Joe B. White.

To Martha Atkins, Pearl Watford leaves her "hair bob" with the hopes that she will continue to keep it shaped up.

Frances H. Cutchin bequeathes her position as Secretary to the Dean to anyone who has the stamina to endure such a hardship.

To Barbara Parker, Rose M. Faison wills her poise.

Herbert Banks leaves his blue jeans to Moose, Mat, Marine and Rooney Juice.

Catherine McCullough leaves to Freddie Thompson her calmness.

Dewery Phillips leaves his quietness to Clyde Beatty.

Maria McAlister wills her quietness to Freddie Thompson.

Annie Jo Peasant wills her seat on the front row in Economics to Eleanor LeFlore.

George Woods bequeaths to Mazelle Price his love and to his sister, Barbara, his unusual capacities.

To Gladys Townes, Valencia Legeaux wills her ability to get along with other people.

To Greta Cook, Julia Sampson wills her ability to get along with other people.

George Madison wills his ability to make a dollar to Ronald Holmes, and his biology wit to his brother Ulysses Madison.

To Mary Gray, Kathryn Barge wills her vast biological ability and her ability to stay chubby four years to Mary E. Peay.

Edna M. Rayford wills to Ernestine High her pleasing personality and a few of her boy friends.

Richard A. Ewing, Jr., bequeaths to Lillian Jacobs his steadfast and undying love and affection, that it may shine as bright as the sun and be as a beacon to guide her over the remaining year.

Jenethyl Moses wills to Esther Clark her ability to keep her boyfriends from roaming.

Ernestine Clemmons leaves her athletic ability to Carrie Flemings.

To Dorothy Holden, Millie Veasey leaves her ability to be late for Education III.

To Mary Harris, Mary Whitehead leaves her old French notebook.

Oscar Smith, Jr., wills the ability to keep his girl as long as he did to William Brodie and to that certain female Junior music major, his ability to practice regularly, and meet his obligations and to learn a sense of responsibility.

To Mamie Joyner, Parthenia Dunn leaves her ability to over cut chapel using the "know how system" and not lose points for overcutting and her pleasing smile for all times to Mattie Bailey.

If there is any property of ours which we have not bequeathed, we leave our executors to use as they see fit.

Signed this day,
Here Witnesseth:
RICHARD EWING

PROPHECY of THE CLASS of 1953

Dear Julie,

Doesn't time really fly? It seems as though it were only a year since we left school but this is 1963, and in the next two months we will be having our reunion. Once again we will be renewing the old friendships.

During the years that have passed, I have been in contact with and met several of our classmates. You will be surprised to learn of the marvelous achievements our classmates have made. They have been beacons of the ideals and achievements of St. Augustine's.

Dr. Richard Ewing and his college sweetheart are settled in their Connecticut mansion. He is visiting professor at Yale University medical school. Mrs. Antoinette Williams Renner, wife of the renowned psychiatrist, is now on tour after an extended vacation with her husband in Sierra Leone, West Africa. Soloist Albert Henry has recently given an outstanding recital at the Palladium in London. His wife the former Miss Holman is with him. Kathryn Barge married Dr. Tavares and settled in Philadelphia with her four sons. Her husband has a very flourishing practice. Mr. James Skinner recently got his Ph.D. degree from the University of Pennsylvania, he is now associate professor at New York School of Social Work.

Donald Johnson and Ernestine Clemmons are now married and are directors of the Physical Education Department at Rochester University. John Middleton, Attorney-at-Law in Washington, D. C. was recently appointed Chief of the N.A.A.C.P. Council. Catherine McCullough, a federal social employee, is making an outstanding contribution to the community life of the Hawaiian Islands where she is now employed. Do you remember Pearl Watford? Well, she is the mother of ten handsome sons. Frances Cutchin is associate professor of business at Harvard University. She recently returned from Europe on a Fulbright scholarship.

I'm sure you wouldn't be surprised to learn that Rev. William Banks is now pastor of Abbyssinia Baptist Church in New York, he owns a custom-made Cadillac. Mrs. Edith Fagan, the former Edith Alston gave up her singing career and is now living with her musician husband and their seven children in their fabulous home in Bronx, New York. Althea Eley has just divorced her fourth husband and is now residing in the east section of Paris where she owns a night club. Mrs. Eloise Morris accompanied by Richard Satterfield, band leader of the Harlem Sextet, can be heard every Sunday evening on station WLIB. Dr. Dewery Phillips, once professor of Physics at Massachusetts Institute of Technology, has recently been appointed to the board of directors of the Atom Bomb Research Project in

South Carolina. Mrs. Geraldine Rogers Hoover received her Ph.D. degree in absentia last June on the day she gave birth to her twelfth son. She must be adherent to the doctrine "Cheaper by the Dozen."

Geraldine James has just opened a business school with Agnes Walters and Maria McAllister, administrators, Junious Sorrell head of accounting, Hazel Knight, head of the shorthand department, and Mrs. Millie Veasey as assistant. Did you know that Frederick Johnson, Oscar Peay, George Woods, and Billy Davis have just started a science research center at Tuskegee in which they have solicited the aid of such well known chemists and biologists as Christobel Richardson, George Madison, James Avery, William Dickens, John Kearney, and Berdie Powell? Miss Edna Rayford will also join the staff after her marriage to Oscar Smith who is studying advanced modern composition in Europe.

I'm sure you have read of Charles Jones for he is very outstanding now. He just received the Academy Award for his prize winning play which Cecil B. DeMille recently produced. Mary Whitehead has just been appointed Chief French Interpreter at the United Nations. Junius Carter, bishop of the diocese of New Jersey has just married Elma Jones to State Senator Joseph Swain. Her former roommate, Bernice Lloyd is at Oxford University working on her Ph.D. degree in English. St. Augustine's really turns out excellent athletes: Herbert Banks, Elosie Mitchell, and Ida Archie were on the Olympic Team to Berlin, Germany under the guidance of Coach William Chisholm.

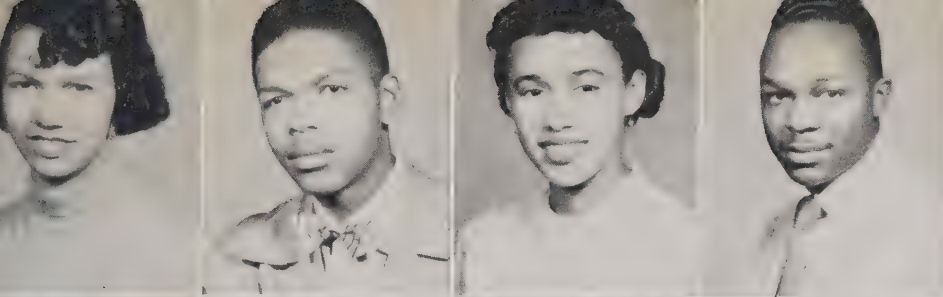

James W. Jones once a confidential clerk in the American Legation in Paris, has been appointed consul to Liberia, West Africa. On a request from the government of the Virgin Islands for Technicians and Social Workers, our Alma Mater represented in the group six members of the class of '53, Parthenia Dunn, Rose Faison, Druscilla Hollins, Calvin LaHuffman, Sadie Lee and Thannie Pridgeon. Mrs. Gloria Wallace went into the Real Estate business after completing her legal studies in one of the Mid-Western Universities. Dr. Felix Igbokwe finally succeeded with his medical degrees. He owns one of the largest hospitals in Lagos, Nigeria. St. Augustines University now has as its president, Dr. Amos Norwood. Working on his faculty are some of his class associates: Rev. James Williamson, Dean of Men, Drs. Almeta Monk, Nathaniel Moore and Jenethyl Moses are members of the social science department. Francis Poole, B.A., M.A., heads the business department. Louise Thaggard has replaced Mr. Reginal Lynch and Alfred Grisby has replaced Mr. Livas in the business field. Mrs. Frankie DeLane, the former Annie Jo Peasant is the happy mother of triplets. She and her husband are residing in Raleigh, N. C. Gloria Bowens, Winifred Brown, Valencia Legeaux are the founders of St. Augustine's Elementary School, in New York City. Mary Satterwhite is a prominent social worker in Detroit, Michigan. Dan Mills is now accountant General of the United States Treasury Department.

See you at the reunion for you must tell me of the day you recieved your masters.
